TE MANATŪ WHAKAHIATO ORA

Why not apply online?

Go to **workandincome.govt.nz**

If you need more information go to our **website** or call us on **0800 559 009** and say “youth” when you’re asked why you’re calling.

We suggest that you read pages 1 to 4 of this application form before starting to fill it in, so you get a feel for what’s needed.

Youth Payment

Youth Payment is for young people aged 16 or 17 who don’t have dependent children, and are in need of financial assistance. For example if you’re:

- single, you may qualify if you can’t live with your parents or guardian, and you can’t get financial support from them or anyone
- married, in a civil union or de facto relationship with a partner who meets certain requirements.

When you get Youth Payment you’ll need to work with a Youth Service provider who’ll provide on-going support and guidance. You’ll also need to meet some other conditions.

We want you to have the skills to get a job that will help you have a better future. It’s important you stay in or get back to into education, training or work-based learning.

The information we collect on this application form will help us to work out what help we can give you.

What you need to do next

You need to do several things before a Youth Service provider can help you.

1. Carry out any activities we ask you to do to help you prepare for or stay in education, training or work-based learning.
2. Fill out this application form.
3. Get other people to fill out parts of the application form, if you need to (for example, if you’re applying for a Disability Allowance, a health practitioner needs to fill out the Disability Allowance medical certificate).
4. Collect all the documents you need to show us. We tell you about these documents in the application form (look for the ) and we also have a list on pages 3 and 4.
5. Bring this application form and the documents to a meeting with your Youth Service provider. If you don’t already have a meeting arranged, contact us on **0800 559 009** and say “youth” when you’re asked why you’re calling.

You must give us all the information we need.

If you don’t have all the information we need, talk with us and we may be able to help.

If we find out later that any information you give us is not true, or that you knew information you should have told us and did not tell us, we may stop your payments. You might need to pay money back. In some cases you could even be prosecuted.

Definition of a relationship for benefit purposes

Whether people are single or a couple affects eligibility for certain income assistance and the rate at which we can pay that assistance.

When we determine your entitlement to income assistance, we'll consider you to be in a relationship if you're married, in a civil union, or in a de facto relationship, and have a degree of companionship.

By degree of companionship, we mean two people:

- are committed to each other emotionally for the foreseeable future, *and*
- are financially interdependent.

To give you a better idea of what we mean by this, think about whether your relationship includes some of the things below:

- you live together at the same address most of the time
- you share responsibilities, for example bringing up children (if any)
- you socialise and holiday together
- you share money, bank accounts or credit cards
- you share household bills
- you have a sexual relationship
- people think of you as a couple
- you give each other emotional support and companionship.

INFORMATION FOR Q114:

Details about how and when we share your personal information can be found at workandincome.govt.nz/privacy

114

Please tell us how you'd like to provide proof of the child support you have to pay.

We'll need proof of how much you have to pay. There are two ways to do this:

- Inland Revenue can share the information with us.

If you agree, Inland Revenue can tell us about your monthly child support costs. They'll share your name, date of birth, IRD number as well as your current and expected child support costs. We'll use this information to process the application for Temporary Additional Support.

You will still need to let us know if your child support costs change while you're getting Temporary Additional Support. We'll work with you to make sure you're getting paid the right amount and resolve any under or over payments.

They'll also tell us if they're managing other types of child support for you, even if it can't be included in your application. We'll only use this information to help answer questions you might have.

We'll ask for your consent each time you re-apply for Temporary Additional Support.

- You can provide your 'child support to pay' letter from Inland Revenue.

You will still need to let us know if the amount of child support you have to pay changes while you're getting Temporary Additional Support.

I agree that Inland Revenue can share my child support costs if requested by the Ministry of Social Development.

My partner agrees that Inland Revenue can share their child support costs if requested by the Ministry of Social Development.

I do not agree to my information being shared, and will provide the 'Child Support to Pay' letter from Inland Revenue.

Tell us what you've done to try to pay your essential costs

115

What steps have you and your partner taken to get other help, reduce costs, or increase income?

What you need to do (your obligations)

MINISTRY OF SOCIAL
DEVELOPMENT
TE MANATŪ WHAKAHIATO ORA

When you're getting payments from us, there are some things you need to do to make sure you're getting paid the right amount.

If you don't do these things, we could pay you the wrong amount. It could also mean we have to reduce or stop your payments. We don't want you to miss out on money you need so please read these carefully.

- ⓘ A **job** could be part-time, casual or full-time, paid or unpaid.
- ⓘ Having another baby while you're getting a benefit changes your obligations about looking for work.

Let us know when things change

You need to let us know about changes that might affect the amount you're paid.

Changes to your income or availability for work, like:

- starting, stopping or changing jobs
- starting or finishing part-time or full-time study
- changes to your pay or other income, including getting an overseas pension
- starting to run a business (for yourself or someone else).

Changes to information about you or your family, like:

- name, address, contact details or bank account number
- starting or ending a relationship, marriage, or civil union
- a partner passes away
- the number of children in your care, including having a baby.

Changes to where you live or how much it costs, like a rise or drop in your rent, board, mortgage or rates.

We also need to know if you:

- go into or come out of hospital
- are being held in custody or on remand.

If we have the wrong information we could pay you the wrong amount. If we pay you too much you might have to pay us back.

- ⓘ We can't pay you while you're out of New Zealand unless we've agreed to it.

Tell us if you're going overseas

If you're travelling overseas, you need to let us know.

You need to let us know before you leave New Zealand. If there's a good reason you can't, then you need to let us know as soon as you can.

Attend school, tertiary education, training or work-based learning

You'll need to be enrolled and attending secondary school or tertiary education or an approved training or work-based learning course full-time.

The course needs to be leading to:

- NCEA Level 2, or
- an equivalent qualification, or
- a higher qualification.

Work with a Youth Coach

You'll need to work with a Youth Coach who'll support you while you're getting Youth Payment.

You'll meet with them to talk about how things are going, and they'll refer you to a budgeting programme or education, training or work-based learning.

Your Youth Coach will also set up your payments so your accommodation costs, bills and debts will be paid first. Any remaining money will be split between an in-hand allowance and your payment card.

Make any changes you can so you don't need Temporary Additional Support

Temporary Additional Support (TAS) is short-term help to meet your costs.

If you get TAS you need to do what you can to:

- reduce costs
- earn extra money
- get other help with costs.

What can happen if you don't meet your obligations

You need to do the things listed above to keep getting payments from us.

If you don't do these things your payments may go down or stop. In some cases you could even be prosecuted.

i You can find full details about what can happen if you don't meet your obligations at msd.govt.nz/not-meeting-your-obligations

Your payments can go down or stop if you:

- don't tell us something we need to know
- don't do something we asked you to do to enrol in an education, budgeting or parenting programme
- don't keep up-to-date with children's health and education
- are not on Money Management within 20 working days
- don't work with your Youth Coach
