## **Child Disability Allowance** application form

The Child Disability Allowance is a non-taxable, fortnightly payment made to the main carer of a child or young person with a serious disability. It's paid to recognise the extra care and attention needed for that child.

The child needs to be assessed by their health practitioner as needing constant care and attention for at least 12 months because of a serious disability. You also need to meet some other conditions.

Other assistance, such as the Disability Allowance, may be available to help with the costs of treatment, medication or disability related expenses.

You can't get this allowance if the child already gets a benefit (except for the Orphan's or Unsupported Child's Benefit), or if you get Board Payments for them from Oranga Tamariki.

	Step 1 – Fill in the form
How to apply	Fill in this application form, and take the medical certificate inside it to your child's health practitioner for them to complete.
	Step 2 – Come in and see us
	If you already get a benefit from us and your child is included, you can drop the form and documents we need to one of our service centres, or post them to us.
	If you don't get any other help from us, please make an appointment to come and see us.
	We can grant Child Disability Allowance from the date you first contact us, if you complete your application within 20 days of that date.
What you need to provide	Proof of who you are:
	<b>If you were born in New Zealand</b> , provide one type of official identification that has your full legal name and your date of birth (for example, your birth certificate, passport, driver licence, firearms licence, deed poll).
	<b>If you were born overseas</b> , provide proof that you have a right to live in New Zealand (for example, a citizenship certificate, a New Zealand passport, a passport from another country with residence class visa or proof of permanent residence).
	<b>If your name has changed</b> , provide your marriage certificate, deed poll, or other proof of the name change.
	You need to provide <b>two</b> more documents that help to prove who you are (for example, a marriage certificate, bank statement, phone or power account, driver licence).
	If you're using identification that has expired it must not be more than two years past the expiry date.
	You also need to provide:
	Full birth certificate for the dependent child this application is for.
	A form or letter from Inland Revenue showing your tax number.
