Childcare Assistance
application form

Use this application to apply for:

• **Childcare Subsidy** – Payments that help families with the cost of pre-school childcare

• **OSCAR Subsidy** – Payments for children who are at school and are under 14 years (or under 18 if you get a Child Disability Allowance for them).

If you need more information go to [www.workandincome.govt.nz](http://www.workandincome.govt.nz) and search using the key word *Childcare* or call us on **0800 559 009**.

We suggest that you read these instructions before you fill in the application, so you get a feel for what is needed.

---

**Support we can give parents and caregivers**

Work and Income may be able to help with assistance towards childcare costs if:

• you are the main caregiver of the child, and

• your family is on a low or middle income, and

• you are a New Zealand citizen or permanent resident, and

• your child has at least three hours of care a week.

The childcare assistance available to you will depend on your individual situation and the type of childcare your child is enrolled in.

If you have a 3 or 4 year old child, they may be able to get up to 20 hours of early childhood education (**20 Hours ECE**) funded by the Government. It will depend on the type of childcare service your child attends and whether they offer 20 hours ECE.

---

**Apply now - before your child starts the programme.**

So you can get a subsidy from the day your child starts the programme, you need to apply **before** your child’s first day. This is especially important for school holidays.
This application form is made up of:

Tell us about your relationship status

**Definition of a relationship for benefit purposes**

Whether people are single or a couple affects eligibility for certain income assistance and the rate at which we can pay that assistance.

When we decide your entitlement to income assistance, we will consider you to be in a relationship if you are married, in a civil union, or in a de facto relationship, and have a degree of companionship.

By degree of companionship, we mean two people (of the same or opposite sex):

- are committed to each other emotionally for the foreseeable future and
- are financially interdependent on each other.

To give you a better idea of what we mean by this, think about whether:

- you live together at the same address most of the time
- you live separately but stay overnight at each other’s place a few nights a week
- you share responsibilities, for example bringing up children (if any)
- you socialise and holiday together
- you share money, bank accounts or credit cards
- you share household bills
- you have a sexual relationship
- people think of you as a couple
- you give each other emotional support and companionship
- your partner would be willing to financially support you if you couldn’t support yourself.
