Community Costs Payment Application

Complete this application form if you are in a short-term residential treatment programme (for less than 39 weeks) and need to have assistance to pay ongoing essential costs in the community. There must be no other way for you to pay your costs and you need to be able to show you’ve done everything you can to meet them before the payments can be approved.

To get this assistance from the date you entered the treatment programme, you need to apply within 28 days of your admission, otherwise it’ll start from the date you apply.
