- When my benefit is reduced or stopped this may affect my entitlement to any incentive payments or supplementary assistance I am receiving.
- If I act in a way that is inconsistent with the purpose for which any incentive payment is paid, the incentive payment may be cancelled.
- If my benefit is stopped and restarted again, I may have to re-earn my incentive payments.

#### Not meeting your obligation to take any offer of suitable work

I understand that if I fail my work obligation to take any offer of suitable work, including temporary work, or work that is seasonal or subsidised, without a good and sufficient reason, that my benefit will be reduced by 50% or stopped, for 13 weeks. If my benefit has been reduced or stopped, and I agree to take part in an approved activity for at least six weeks and I'm still entitled to my benefit, it will be increased or restarted.

#### Not meeting your obligations to take and pass drug tests

I understand that if I fail my work obligation to take and pass a drug test when required by a potential employer or training provider, without a good and sufficient reason, that:

- the first time I do this, I will have to agree to stop using drugs so that I can pass a drug test
- the second time I do this, I will have to agree to take and pass a drug test within 25 working days.

I understand that if I don't take and pass a drug test within 25 working days my benefit will be reduced by 50% or stopped, for 13 weeks. If my benefit has been reduced or stopped, and I agree to take part in an approved activity for at least six weeks and I'm still entitled to my benefit, it will be increased or restarted.

I understand that if I fail a pre-employment drug test with a potential employer I will need to pay for the test from my benefit.

I also understand that if I have to take and pass a drug test within 25 working days I will need to pay for the test.

I understand that if I have failed other obligations in the last 12 months the consequences of a first or second failed drug test may be more serious than those described above.

#### Not telling us if you plan to travel overseas

I understand that if I intend to travel overseas and don't let Work and Income know before I leave New Zealand, my benefit will be stopped the day after I leave New Zealand.

The consequence described above will also apply if we use this application form to grant you the Emergency Benefit or Emergency Maintenance Allowance.

You have the right to review or dispute any decision to reduce or stop your benefit.

If we use this application form to grant the Emergency Benefit or Emergency Maintenance Allowance, and you fail one or more of the obligations assigned to you as a condition of granting your benefit, your benefit may be reduced or stopped.
