

Redirection of benefit payment form

MINISTRY OF SOCIAL
DEVELOPMENT
TE MANATŪ WHAKAHIATO ORA

A redirection of benefit payment is where part or all of your benefit is paid to another person or organisation by the Ministry of Social Development. Requests for a redirection will only be approved in special circumstances and for good reason.

You'll need to show us why you can't use other options, such as paying by direct debit or using your bank's automatic payment service.

The other person or organisation who receives your payments doesn't have any power to act on your behalf in relation to the rest of your benefit or other dealings with us. If you want to give extra powers to another person or organisation, you'll need to complete an Appointment of Agent form.

When you apply for a redirection of your benefit payment, you'll need to:

- Give the reasons why you need to have part or all of your benefit paid to another person or organisation
- Tell us what other options you've tried and attach proof to support your application. For example, a recommendation from a doctor or budget advisor, a tenancy tribunal decision, proof from a bank that they won't provide the service you need (like opening an account or setting up automatic payments)
- Attach proof of the bank account of the person or organisation you want to get your benefit payment
- Have the person (or a representative of the organisation) who'll get receive part or all of your benefit sign this form to show they agree to the redirection.
