If you have a health condition, injury or disability we need to understand how this impacts on your ability to work.

We want you to tell us about your work background and your health. When you answer these questions we'll be able to work out the best way to help you.

You can choose someone to help you answer the questions if you want.

To answer the questions you’ll need to:

- tick the box next to the statement that you think best describes your situation or
- write in the space provided.

Please bring this questionnaire with you when you next meet with us.

Tell us about yourself

If you’ve received a benefit or extra financial help from us before, write your client number here if you know it. This number can be found on your Community Services Card if you have one.

HOW TO ANSWER Q3:
This could include things like community work, organising church events, caring for children, using a computer, coaching sports teams. Describe the things you like to do, enjoy and the skills you have gained.

Think about things like sport, hobbies, volunteering and work experience that you do or have done. What did you enjoy and what skills do you think you’ve gained?

What sort of work would you like to do in the future?

What sort of work do you think you’d be good at?
What sort of jobs have you done in the past?

- Work I’ve done has mostly involved heavy physical work
- Work I’ve done didn’t involve much heavy physical work
- Work I’ve done has been a mix of jobs, some physical and some not
- I haven’t had a job

Tell us what you expect

When do you expect to get a job or, if you’re working part-time, when do you expect to increase your hours?

- Within the next 3 months
- Within the next 6 months
- Within the next 12 months
- In a couple of years
- I don’t think I’ll ever be able to work
- I don’t really know
