Please read the instructions on pages 1 to 4 of this application form before starting to fill it in, so you get a feel for what is needed.

Once you have applied for Veteran’s Pension and your application has been processed, we’ll send you your SuperGold Card automatically.

**Who can get Veteran’s Pension?**

The Veteran's Pension is available as an alternative to New Zealand Superannuation (NZ Super) to:

- Veterans who have qualifying operational service confirmed by Veterans’ Affairs, and who meet the NZ Super age and residency criteria; or
- Partners of veterans who qualify for a Veteran’s Pension; or
- Surviving spouses of deceased veterans who would have qualified for a Veteran’s Pension had they still been alive.

**How you apply**

When you can apply

You can apply for Veteran’s Pension from 12 weeks before you turn 65 to avoid missing out on payments.

If you apply after you turn 65 your payments may only start from the date you apply.

Veteran’s Pension checklist

Once you have filled in the application form, use this checklist to tick off all the documents you need for your meeting with us.

INFORMATION NOTE: Documents need to be originals, or copies of documents that have been certified as a true copy by a Solicitor/Lawyer, Notary Public, Registrar of the Court or Justice of the Peace.
If you have a partner, we need to know some details about them. It’s important we have this information because it can affect the amount we can pay. We also need to know about whether your partner has or is likely to have any entitlement to an overseas pension. Their overseas pension may affect any Extra Help you get. There’s more information about overseas pensions on our website.

If you’re going overseas you may still be able to get all or some of your Veteran’s Pension. We can give you advice about:
- any effect your trip may have on your payments
- avoiding an unexpected debt
- being left stranded overseas without any money if things happen that delay your return to New Zealand.

For more information about going overseas:
- visit workandincome.govt.nz and search on Veteran’s Pension going overseas
- call us on 0800 650 656.
In this form, ‘you’, ‘your’, and ‘yourself’ means the person applying for Veteran’s Pension. If we say your partner we also mean your husband or wife. These only apply if you have one.

When you’re getting payments from us, there are some things you need to do to make sure you’re getting paid the right amount.

If you don’t do these things, we could pay you the wrong amount. It could also mean we have to reduce or stop your payments. We don’t want you to miss out on money you need so please read these carefully.

Let us know when things change

You need to let us know about changes that might affect the amount you’re paid.

Changes to information about you or your family, like:

• name, address, contact details or bank account number
• starting or stopping living alone
• starting or ending a relationship, marriage, or civil union
• your partner passes away
• the number of dependent children you support.

We also need to know if you:

• go into or come out of hospital
• are being held in custody or on remand.

If we have the wrong information we could pay you the wrong amount. If we pay you too much you might have to pay us back.

Tell us if you’re going overseas

If you’re travelling or moving overseas you may need to let us know because we may have to change or stop your payments. Whether you need to let us know will depend on your travel plans. There are some examples below.

If there’s a good reason you can’t tell us before you go, then you need to let us know as soon as you can.

To let us know your travel plans, you can complete a form on our website.

Go to workandincome.govt.nz and search on Overseas travel dates.

When you get other payments from us

If you get other payments from us like Winter Energy Payment, Disability Allowance, Accommodation Supplement or Temporary Additional Support, you can keep getting them only for the first 28 days you’re away. You need to let us know about your travel plans before you go.

Travelling for short trips of 28 days (four weeks) or more

You need to let us know if:

• you’re going to be away more than 28 days, or
• you don’t know how long you’ll be away for, or
• you intend to have more than one overseas trip in the next 12 months.
Travelling for 26 weeks or less
You can travel to any country for 26 weeks or less and keep getting your payments as usual.

If you’re still overseas after 26 weeks your payment may stop. If you’re still over there after 30 weeks you may have to repay all your payments since you left.

If you get held up because of circumstances beyond your control that you couldn’t have known about before you left, you may be able to keep payments made in the first 26 weeks.

Travelling for more than 26 weeks
If you have no intention of living in the countries you’re planning to visit, you may be able to get all or some of your Veteran’s Pension while you’re away. At least six weeks before you go, you need to contact us to apply to get your payments overseas. What you’ll get depends on where you go and how long you’ve lived in New Zealand.

Going overseas to live
You can live almost anywhere in the world and still get all or some of your NZ Super. What you’ll get depends on where you go and how long you’ve lived in New Zealand. Generally you must apply for payment overseas about 4-6 weeks before you leave New Zealand. To arrange a meeting, call our International Services team on 0800 777 227.

What can happen if you don’t meet your obligations
Your payments can stop if you don’t tell us something we need to know.

You need to do the things listed above to keep getting payments from us.
If you don’t tell us something we need to know, your payments can stop. In some cases you could even be prosecuted.

When you’re getting payments from us, there are some things you need to do to make sure you’re getting paid the right amount.

If you don’t do these things, we could pay you the wrong amount. It could also mean we have to reduce or stop your payments. We don’t want you to miss out on money you need so please read these carefully.

### Let us know when things change

You need to let us know about changes that might affect the amount you’re paid.

Changes to information about you or your family, like:
- name, address, contact details or bank account number
- starting or stopping living alone
- starting or ending a relationship, marriage, or civil union
- your partner passes away
- the number of dependent children you support.

We also need to know if you:
- go into or come out of hospital
- are being held in custody or on remand.

If we have the wrong information we could pay you the wrong amount. If we pay you too much you might have to pay us back.

### Tell us if you’re going overseas

If you’re travelling or moving overseas you may need to let us know because we may have to change or stop your payments. Whether you need to let us know will depend on your travel plans. There are some examples below.

If there’s a good reason you can’t tell us before you go, then you need to let us know as soon as you can.

To let us know your travel plans, you can complete a form on our website. Go to [workandincome.govt.nz](http://workandincome.govt.nz) and search on Overseas travel dates.

### When you get other payments from us

If you get other payments from us like Winter Energy Payment, Disability Allowance, Accommodation Supplement or Temporary Additional Support, you can keep getting them only for the first 28 days you’re away. You need to let us know about your travel plans before you go.

#### Travelling for short trips of 28 days (four weeks) or more

You need to let us know if:
- you’re going to be away more than 28 days, or
- you don’t know how long you’ll be away for, or
- you intend to have more than one overseas trip in the next 12 months.
Travelling for 26 weeks or less
You can travel to any country for 26 weeks or less and keep getting your payments as usual.
If you’re still overseas after 26 weeks your payment may stop. If you’re still over there after 30 weeks you may have to repay all your payments since you left.
If you get held up because of circumstances beyond your control that you couldn’t have known about before you left, you may be able to keep payments made in the first 26 weeks.
