Please read the instructions on pages 1 to 4 of this application form before starting to fill it in, so you get a feel for what is needed.

Once you have applied for Veteran’s Pension and your application has been processed, we’ll send you your SuperGold Card automatically.

**Who can get Veteran’s Pension?**

The Veteran’s Pension is available as an alternative to New Zealand Superannuation (NZ Super) to:

- Veterans who have qualifying operational service confirmed by Veterans’ Affairs, and who meet the NZ Super age and residency criteria; or
- Partners of veterans who qualify for a Veteran’s Pension; or
- Surviving spouses of deceased veterans who would have qualified for a Veteran’s Pension had they still been alive.

**How you apply**

**When you can apply**
You can apply for Veteran’s Pension from eight weeks before you turn 65 to avoid missing out on payments.

If you apply after you turn 65 your payments may only start from the date you apply.

**What you need to do**
You and your partner (if you have one) need to:

2. Collect all the documents you need to show us. We tell you about these documents in the application form (look for the 📝) and we also have a list on page 3.

Talk to us if you do not have any of the documents, have given them to us recently or if there might be a delay in getting them.

If you have a partner, there are items that they need to provide – see the tick boxes on the right, in the list below.

</tr>
</tbody>
</table>

**One of the documents above must be at least two years old.**

INFORMATION NOTE:
Documents need to be originals, or copies of documents that have been certified as a **true copy** by a Solicitor/Lawyer, Notary Public, Registrar of the Court or Justice of the Peace.
If you have a partner, we need to know some details and see some identification for them. It’s important we have this information because it can affect the amount we can pay.

If your partner doesn’t qualify for Veteran’s Pension themself, you may want to include them in your payments. In this situation, Veteran’s Pension is income tested and you’ll need to provide proof of your and your partner’s income.

Even if you’re not applying to include your partner, we still need their details, identification, and they need to sign the application form.

We also need to know about whether your partner has or is likely to have any entitlement to an overseas pension. Anyone applying for Veteran’s Pension could have their payments affected if their partner qualifies for an overseas pension. There’s more information about overseas pensions on our website.

If you’re going overseas you may still be able to get all or some of your Veteran’s Pension.

We can give you advice about:
- any effect your trip may have on your payments
- avoiding an unexpected debt
- being left stranded overseas without any money if things happen that delay your return to New Zealand.

For more information about going overseas:
- visit workandincome.govt.nz and search on Veteran’s Pension going overseas
- call us on 0800 650 656.
In this form, ‘you’, ‘your’, and ‘yourself’ means the person applying for Veteran’s Pension. If we say your partner we also mean your husband or wife. These only apply if you have one.

If you meet our definition of living alone, we may be able to pay you a higher rate of Veteran’s Pension to recognise the cost of maintaining your home on your own. You may also get this if you have a partner who’s in residential care, hospital or prison, or in other situations when you’re not living on your own. You can have visitors stay with you for up to 13 weeks and still get the living alone rate.

By ‘partner’ we mean someone you are in a relationship with. If you’re not sure, you can leave this section blank until you talk to us. In the meantime, go to the Extra Help information section on page 13.

When you’re getting payments from us, there are some things you need to do to make sure you’re getting paid the right amount. So does your partner, if you have one.

If you don’t do these things, we could pay you the wrong amount. It could also mean we have to reduce or stop your payments. We don’t want you to miss out on money you need so please read these carefully.

Let us know when things change

You need to let us know about changes that might affect the amount you’re paid.

Changes to information about you or your family, like:
- name, address, contact details or bank account number
- starting or stopping living alone
- starting or ending a relationship, marriage, or civil union
- your partner passes away
- the number of dependent children you support.

We also need to know if you:
- go into or come out of hospital
- are being held in custody or on remand.

If we have the wrong information we could pay you the wrong amount. If we pay you too much you might have to pay us back.

Tell us if you’re going overseas

If you’re traveling or moving overseas you may need to let us know because we may have to change or stop your payments. Whether you need to let us know will depend on your travel plans. There are some examples below.

If there’s a good reason you can’t tell us before you go, then you need to let us know as soon as you can.

To let us know your travel plans, you can complete a form on our website.
Go to workandincome.govt.nz and search on Overseas travel dates.

When you get other payments from us

If you get other payments from us like Winter Energy Payment, Disability Allowance, Accommodation Supplement or Temporary Additional Support, you can keep getting them only for the first 28 days you’re away. You need to let us know about your travel plans before you go.

Traveling for short trips of 28 days (four weeks) or more

You need to let us know if:
- you’re going to be away more than 28 days, or
- you don’t know how long you’ll be away for, or
- you intend to have more than one overseas trip in the next 12 months.
Traveling for 26 weeks or less

You can travel to any country for 26 weeks or less and keep getting your payments as usual.

If you’re still overseas after 26 weeks your payment may stop. If you’re still over there after 30 weeks you may have to repay all your payments since you left.

If you get held up because of circumstances beyond your control that you couldn’t have known about before you left, you may be able to keep payments made in the first 26 weeks.

Traveling for more than 26 weeks

If you have no intention of living in the countries you’re planning to visit, you may be able to get all or some of your Veteran’s Pension while you’re away. At least six weeks before you go, you need to contact us to apply to get your payments overseas. What you’ll get depends on where you go and how long you’ve lived in New Zealand.

Going overseas to live

You can live almost anywhere in the world and still get all or some of your NZ Super. What you’ll get depends on where you go and how long you’ve lived in New Zealand. Generally you must apply for payment overseas about 4–6 weeks before you leave New Zealand. To arrange a meeting, call our International Services team on 0800 777 227.

What can happen if you don’t meet your obligations

Your payments can stop if you don’t tell us something we need to know.

You need to do the things listed above to keep getting payments from us. So does your partner, if you have one.

If you don’t tell us something we need to know, your payments can stop. In some cases you could even be prosecuted.

Your rights

You have the right to ask us to review any decision we make about your payments.

If you don’t think we have things right or there’s something you don’t understand:

• call us – we can usually fix it over the phone
• you have the right to ask us to review the decision. Find out how at msd.govt.nz/reviews
